

DO YOU WANT TO SEE YOUR PRODUCT IN PRINT?

SEND MARKET SQUARE YOUR IMAGES!

Ever wonder how exhibitors get featured on one of MARKET SQUARE'S promotional pieces...it's FREE. Send us your digital images and we may use your product to market an upcoming show.

As your marketing partner, we want you to be included in our show marketing. At **Market Square** we produce attractive color brochures, show postcards, trade magazine ads as well as informational email blasts. Our extensive mailings lists include pre-registered and prospective attendees.

All images will be reviewed by a jury to ensure that these communicate the quality and new resources that **Market Square** continues to offer. Those images or products that best meet this criteria will be chosen and featured in our marketing.
